Wonderseekers

Our People

- This staff structure shows how all the amazing teams across our charity fit together to make everything we do possible. Our people sit right at the heart of our mission - every visitor welcome, every experience delivered, every partnership nurtured, every project brought to life starts with the talent, creativity, and commitment of our teams.

- From front-of-house operations, to behind-the-scenes expertise and support, from public engagement to income generation, science learning, impact and evaluation - this structure celebrates the collective effort that keeps Wonderseekers moving forward.

- It's a snapshot of how we work together, support each other, and stay aligned so we can deliver the biggest possible impact.

NB. position on chart does not necessarily indicate relative seniority. The chart illustrates how we work together as one team. Every role is valued equally, and each contribute an important part to our shared success.
